I've had the great pleasure to know, and love, Esther and her family, for 28 years. We've traveled together, celebrated family milestones, watched countless sporting events, eaten more ice cream than I care to remember and above all laughed together. Looking at old family photos this past week and hearing the shared stories of her children and grandchildren just reinforced how blessed I am to have had her in my life.

I'm heart broken over the loss of my beautiful aunt. She was such a beautiful soul inside and out, always thought about others no matter what. Aunt Esther and Uncle Murray gave me my first microscope, that my 6 yr old now has, always a love of science, and one of my fondest memories, that and feeding ice cream to Lance ????? . Aunt Esther I love you and will always cherish my memories of you, you will be in my heart forever, and we will keep you alive through them. Uncle Murray , Michelle,Alisa and Steven I'm so sorry for your loss and your pain. I love all of you.
