Linda was one of a kind. Not only was she bright, beautiful, loving and caring but she was "real". She thrived on the positive energy she emitted and brought out the best in people. She was (is) my sister and i think about her daily and miss her terribly. I miss our daily phone conversations and will miss the games we used to play. Life is a precious gift and you never know when it will be taken from you. Don't waste a minute of it. Linda i know you are with Cory, mom, dad and the many close friends and relatives you've lost over the years. That, outside of the fact you are no longer in pain, is the only comfort from all this. I know you knew, but i just want to tell you one last time, not only were we best friends, but i love you with all my heart and i shed many tears of sorrow at having lost you. Till we met again... Aunt Linda you will be dearly missed. I've never met anyone so calm and collective as our darling Aunt Linda. Such a sweet, kind, and loving woman. Although we were so far apart, you were held with the highest regard in our daily lives and have always been in our constant thoughts... This we promise you will never change. Dear Lou....Alan & I want to extend our heartfelt condolences to you and your family. Although I only knew Linda for a little more than a year, she was a special friend to me. As a new resident and knowing hardly anyone at V.I., she included me in her mah-jongg games and introduced me to so many lovely women. I will miss her. Alan and I enjoyed our dinners together. We hope you have wonderful memories to get you through this terrible time. Cynthia Gitkin
