Dear David and Rachel I have just become aware of the loss of your dear brother Stu and after all of all these years which, as you know go by so rather quickly, I think back to all the good times I had with him and your family way back when. I am quite certain that Stu has been taking care of his responsibilities up there in heaven and happily watching over you guys. Eric Yogel

I just found out from an old friend and work colleague I recently reconnected with that Stu passed. I used to work side by side with Stu at First Data. In fact, Stu was the one that trained me. He and I worked very well together, and I considered him a great friend. Rest in peace my friend and hopefully you and I will meet in the afterlife and say "Sup" to each other.
