Cindy Harrison posted:

I met Cookie at a meet-up in early 2015. Four of us hit it off and started meeting monthly for dinner. It was fascinating to hear of Cookie's extended travels, art endeavors, and her miniatures. Clearly she led an interesting life and I was always amazed by her courageous zest for life. She always spoke of her children and grandchildren with nothing but complete love and pride. Cookie will be missed by all who knew her, but it is comforting to know she is truly at peace now.
