I am sorry to hear about the passing of Irene. It has been many years since I last saw her but remember visiting with her with my mom, Maddy, fondly. I was hoping to see all of you when you came to New York, but unfortunately I will be away that week. After reading her obituary I was happy to see so many names and how large the family has become. I wish you all well and many wonderful memories of her life. Love, Jean Murray Marion
