Dearest Susan and Boys, We met him through Perry Players. He was so kind and full of joy. He lent so many of his skills to our group, people still speak of him. On a personal note, I believe directing Fiddler on the Roof with the guidance of Marshall and Susan was one of the most meaningful endeavors of my life. Gary enjoyed being on the board with Marshall. Everyone who did remembers him with great respect. Peace and love to the family, Gary and Carol Strandburg
