I first met Kappy 30 years ago in Miami at the Southern Apparel Mart during a show where we found out we were both radio amateurs. I later met his wife and daughter. He will be missed, may he rest in peace. I just learned of his passing today reading the QST magazine column, silent keys.

Very saddened to hear of Kappy's passing. He was a friend, and a fellow ham radio operator. We had long chats on the radio, and on the phone from time to time. I used to have access to some wonderful large denomination postal stamps which I sent to him. He was a kind and generous man. He will be missed. 73 Kappy! de Greg K9ZM
