My time spent at Cloverleaf Printing – probably the best workplace I've experienced. Richard & Fred were more fiends than bosses. Still recall the famous AWOL episode shipboard of Korea ??Soo Da Later, where are you? I set tpye (sp), and Rich would always ask for some new copy to be inserted in various flyers or ads, with the instructions to "use a nice Helvetica." Like the Car 54 cops, Richard & Fred sought good copy and no hickies, & celebrated both with a beer at the front counter when the open sign faced IN at closing time. At ease, Rich!
