To Lynette and Howie, & their extended tribe of their children;— and included are all the many miriads dear to you .Condolences from my wife Marsha & family.-I cannot be consoled since Uncle Alfred has moved on. I have so many wonderful experience of times shared with him. My favorite finding of "" older age "" is that forgotten memories of time spent with someone he come back to you at any time, even when you least expect it.My relationship with Uncle Al showed me by example that by listening to all with enthusiasm & respect – is the way to be...The Thoughts, ideas, enthusiasm,suggestions & understanding coming from such a mental giant that he was....came across during each time we talked —directed to me (I was a kid at the time) has created indelibly warm memories .Thank you for the privilege of having you as my uncle
