For reasons unfathomable to me, neither of Dr. Sirgutz's are mentioned. Marsha nee: Klein-Sirgutz and myself, Roberta Steinhorn-Sirgutz, who bore his three children and loved him dearly. I think of you every day. Rest in peace.

My happy memories of our times together will bring me peace and comfort. My baby bro may be gone but will never be forgotten. You fought a good and hard battle since your stroke and know you are now in a better place and able to do all the things that you had loved doing. Golf with Dad, swimming and skiing with Normie and singing with Auntie Belle. Mom can now dance with you which she loved doing. I will miss the calls from all the restaurants you went to when you described everything you were eating, especially the spare ribs! Dave said to come visit us anytime and say hello by leaving our refrigerator on – beep, beep, beep – will leave some ice cream for you ?? RIP Bro, we love you.
