MURIEL KRIEGER

APR 11, 2018

Muriel Krieger of New York, New Jersey and Highland Beach, Florida passed away on April 11, 2018. Her husband Harry Krieger preceded her in death.

Muriel and Harry had no children but they championed old and young alike. Muriel was active in both communal and worldwide philanthropies donating an ambulance to American Red Magen David for Israel; Women's American O.R.T.; Simon Wiesenthal Center and numerous other charities. Muriel's life was devoted to giving to her loved ones and friends. The lives she touched have been greatly enriched. It was Muriel's sense of humor that sustained her through the trying times. Her candor and wit will be missed by all who knew her.

Memorial contributions may be made to Chai Lifeline Southeast or the Make A Wish Foundation of South Florida. Muriel was buried in New Jersey next to her husband.

Is that you??? Its me!That was the way we started all our telephone conversations for over 30 years and then broke into laughter, no matter how often we said the same thing. In the end they took you away from me and for fear of what else they could do I didn'treturn. But, what they couldn't take away was all our memories, and years of family gatherings, our inside jokes (that no one else understood), travels, adventures, meeting dates in oh so many strange places. You were a gift given to me when I moved to Florida and our friendship sustained through health and sickness. I will remember you and your wise advice.All of us will miss you always, Michael and Joan Levy, Jeremy and Joshua Levy, Barbara Levy, Betty, Jeannie, Gabrielle, Alex, Levine, Marleny, Vilma, Nino, Toni and many many more who's lives you touch.May you rest in peace and know that you were loved.
