My sincerest sympathies are extended to Sid's family especially to Mindy and Scott. Sid was such a joy to know. There wasn't a time he didn't make me laugh, we had great conversations, he always knew what was going on with my family and in my life and he would inquire... Steven would tell him about his inventions they would cut up, laugh and have fun. Sid was a very kind loving, generous, and a funny man. I will miss him, I loved seeing him and hearing I love you. He was sincere and always left you wanting more of Sid. Sid deserved the best and that is why he had Elliot, Mindy and Scott. May you Rest In Peace. It is so hard for family to lose someone like Sid but, hold on to precious memories to help get through the roughest of times. Just know he's now with his heavenly family, in perfect health watching over his family ????
