90 years of life, the Great Depression, an honorable discharge from service in WWII, unapologetic support for the state of Israel, a department store, teacher, sax player, jazz enthusiast, husband, father, grandfather and great grandfather. Rest In Peace Florida Grandpa. We will never forget playing cave or Asher lulu. The last time we saw each other, as soon as my son caught your eye, a huge smile came over your face. That is how I will always remember you.
