Dr Dober was my Childrens doctor when we first moved to Florida in the 80's . He was now my grandsons doctor , he will be deeply missed. Dr Do er was a kind soft spoken man with great respect for every child that was in his care. He was one of a kind dedicated to his family , we were blessed to have had him in our life. Deepest sympathy to everyone especially his beloved family and wife whom he adored . God bless you all. The Scott family

My mother, Betty Gregory, worked for Dr. Dober and the Pediatric group in the late 60's and early 70's. When I contracted a skin disease, it was Dr. Dober that was finally able to diagnose it and offer answers. My mother and I always appreciated him and his high standard of medical care. May God grant his family comfort and peace. Debbi G
