I will forever hold my memories of Dr. Rudnick in my heart forever. He was one of the kindest and most knowledgeable men I have ever known. I am honored to have had him as my Veterinarian, as he has always made me feel that my horses were receiving the best care, ever. He always had time to explain anything and everything I asked of him. He was a Mentor to me, as well. He guided and taught me about horse wound care. He was an inspiration to all who were privileged to know him. I will miss him dearly. Please know that I not only speak from my heart, but from the heart of all he 'touched'. My thoughts and prayers are with the family. Love, Sue Sneesby
