I miss you so much Mom. Somedays I think about you so much that it hurts more than any pain I've ever felt. You were the best Mom anyone could ever have! THE BEST EVER!

Connie and I met at Northeastern Junior High School in 1950 and our friendship lasted until July 7, 2017... I have been living in Mexico since 1958 and she came to visit us several times, with Stanley of course... Connie and Stanley visited my parents often... Stanley also became a good friend to me and I loved him dearly... I went to Florida to visit them a few times also... We had so much fun together and kept in touch frequently... I came to know her sisters quite well also, Sylvia and Kathy... I want you all to know that Connie was my best friend and I love her dearly and always will... Her daughter Andrea is like a daughter to me... I am so glad she is happily married and hope to get to know her husband better one day... I only met him briefly at their wedding which I attended... Connie will be missed... Such a loyal and dear person... I hope it is true that we will see each other again one day...
