Irwin was the first Golf partner I had in Florida many years ago. We played golf for over 20 years. He and Trudy introduced my wife Marcia to me. They set up a date at Hunters Run club house for dinner and then to play bridge after dinner. They were great matchmakers. The last time I saw Irwin he did not know me, but when I told him we used to play golf together, he went around to all the other me and told them "I used to play golf with this man." He seemed very happy saying that. He was a great friend and great Guy. Marcia & Dick Moyer
