Howard and I had met him only once. He and his beautiful daughter and others along with his Aunt and Uncle came to our home for dinner. He was so delightful and fun to be with. The love he showed for his daughter was amazing. She was truly the love of everything in his heart. Our prayers go out to his family at this most difficult time in their lives.

We only knew Peter as a member of the Franklin Community, we knew him as a very friendly person and it was obvious that his world revolved around his daughter Brooke. We spent many days watching & enjoying them have fun around the pool and going on bike rides and are sure she will greatly miss him. Our thoughts and prayers go out to her and the family and may the love of family and friends help you through this difficult time. Take Care Jeff & Cheryl

I was so sorry to hear of Peter's passing. We had a great time at our high school reunion back in September, and Peter was a big part of the fun that's night! Although we didn't speak often over the years, the wonders of Facebook have allowed me to get a glimpse into Peter's life and the immense love he had for his daughter, Brooke, and for life in general. He will be missed. May his memory be a blessing to you all. Benna Strober, Lawrence high school classmate
