So sorry to hear this news, We met Mike and Anita in 2011 when we were cruising on the Eclipse. We shared a dinner table with them and their friends and we can honestly say it was one of our best holidays. Although we are not from London we did attempt to enlighten your dad about Cockney Rhyming Slang , we are sure your mum will remember this. We only have good memories of your dad , he was always cheerful and happy and we enjoyed his company.

Michael, You were a the best cousin a person that a person could ever have. I remember so many good times that we had as kids, when we went to Dodger Games at Ebbets Field even though I rooted against the Dodgers, or when Our dads took us to MSG(the old one) to the Circus, so many things. So many many things. What you did to help me the past couple of years, I miss you already

Michael is a second cousin to me. Our family was raised in Brooklyn, NY. We met occasionally at family get togethers. But I never really knew Michael until I moved "next door" in The Cascades. We went out together a lot and I realized how nice and caring my "first" cousin was. He cared so much about his family and he cared so much about his community. And to paraphrase Billy Joel "The good die young" He will be definitely missed by everyone who where lucky to know him. Paul Hacker
