My dear teacher and yearbook advisor at Dodge Vocational High School so many years ago, I found you too late. Your humor, laughter and advice carried me through hard times. I just finished telling my daughter a story about you and decided to look you up. You passed away 8 months after my own mother. Heaven got two fabulous angels that year. Rest In Peace my dear Mrs. Reiffe.

How sad to hear of Muriel's death. She was such a loved friend to my mom, the late Ethel Goldreich, and we loved to visit her when we visited my mom. Her humor, energy, love of nature will remain in out memory. She was so proud of her children and granddaughter.

Our sincere condolences to the Reiffe family , I was a personal friend of Muriel and assisted her as she updated Channel 63 .My assistance to her was most in admiration of her concern that the older residents of coco woods lakes received Chan 63 information and I did not perceive her as a "customer" but as a concerned human being looking out for her peers. May she rest in peace. Charles A Baum-cncvideochannels ,with David Leonard – cncvideochannels.
