I first met Larry in the Chancellor Avenue playground in 1958. We became good friends through our love of sports and we were teammates for 3 years on the high school baseball team. Larry was our Captain and Leader...everyone on the team looked up to him. Upon graduation Larry and I double dated to the prom. I will always remember driving down to Bradley Beach on the Garden State Parkway, sitting in the back seat of his blue convertible with the top down. The wind was blowing so hard during the trip down the shore, my date and I had to lie on the floor of the back seat with a blanket over our heads, or we would have been blown out of the car. In the meantime Larry and his girlfriend were laughing their heads off during the entire ride. Those are the wonderful memories that will last forever in my heart, whenever I think of Larry, who was a dear friend and someone we all admired. My wife Barbara (Dubin) remembers Larry as a handsome, friendly and popular guy. His passing shocked and saddens both of us. We extend our deepest sympathies to the entire Silberman family. To Janice and Elaine, and the Silberman family. I was shocked at hearing about Larry's passing. Please accept Helene's and my condolences. Larry was a pillar of strength playing softball and baseball in the Chancellor Ave. playground when we were kids growing up in Newark, NJ. We always argued about who was the best left handed hitter, he or me. Larry, of course, was the better one. I have known Larry as Elaine's little brother ever since he was a small child. I was so happy to see him in Florida several years ago. We had dinner together with our wives, and old friends, Barry Zidel, and Mike Mintz. Janice and Elaine, I am so sorry for your loss. When I was 15 or 16 I had a date with Larry to go to a party. He was too mature for me at that time, so this was our only date. I last saw him at our last Weequahic HS reunion. Larry was always a nice guy and stayed in touch with classmates. I'm sure he will be greatly missed. The Weequahic newsletter has kept all of us up to date regarding classmates as well as rekindled many great memories. Linda Lieb Tieger, Weequahic Class of '62, also living in S. Florida.

I was deeply saddened by the news of the passing of Larry. We graduated Weequahic together and were in many of the same classes. I last saw Larry at the 50th reunion and before that at Regency in Monroe, where he was visiting friends who had lived in East Brunswick. He was a very good, friendly person and I'm sure he will be sorely missed by all who knew him. My deepest sympathies go out to the family. Judi Wodnick Chait
