Dear Bill & family, We are so sorry on the loss of Dale I can't imagine the pain that you and your family are feeling. Hold on to all the past memories that you both have had throughout the years together. The two wonderful sons you had and the wonderful Grandchildren. All that loved you both so much. I thank you and Dale for Steve no better gift could we have had w/ him in our family marrying my Niece Donna. George and I loved seeing you and Dale when you came up to Pa for your visits. I loved her happiness and the talks we always had. We truly will miss her, but she will always be in our thought and prays till we meet again.

I will always remember her for her confidence and strength. She had a way to light up a room and make people feel welcome. She was poised and beautiful. I selfishly will miss our talks and decorating dreams. I know that she is in a better place without pain or suffering, I will truly miss her. Xo

We have been BFFs for many years and have shared a great love for one another. We have so many wonderful memories, it would be difficult to choose just one. We talked to each other day and confided our most intimate feelings. Sharing every New Years Eve together began our year on a happy note. She became a sister to us and we will miss her more than words can describe. We share this sorrow with Billy, Sherri, Frank, Peter and family and Steven and family and Uncle Henry and Aunt Barbara Hopefully our memories will get us through this great loss.
