It was such a remarkable testament to the extraordinary human being Steven was to see his family celebrate his life. They truly honor such a kind, generous and capable man. I am grateful to have had the opportunity to know him and for the difference he made for my family in such a short period of time.

It is was heartfelt sadness that I sit and think of Steve and you. Yours was the first wedding of friends...and it does not feel like 48 years ago. Words cannot remove the pain or the tears..but there are so many sweet memories that you will always carry. Know that you are not alone....and that G-d does watch over all of us.Love,Michael Linn
