I worked for Irv Solomon for 14 years, in Bayshore New York. He owned a check cashing service .he rented a store front owned by my father in law Benny Nieves who passed away June 4th 2018. Before thatvhe he had a luncheonette that he owned for many many years. He was like a father to me. He would pick me up in the mornings to open the check cashing with him. His wife Muriel was a lovely woman. We had great years together cashing checks, wonderful memories. His manager Gus Tanon passed away In 2016 as well. I was able to see Gus a year before his passing. He treated us girls like his daughters, I tried to locate Irv for many years, I wrote a letter to a address I thought was his in Florida but it was returned. He will always be a great part of my life. He will always be remembered as a wonderful, funny, and generous man, his son Stephen also worked with us, we had great times working together for many years. Rest In Peace Irv. You will always be remembered. You were always very successful, you catered to the Bayshore community for decades. Thank you for being a huge part of my life. Love and light!
