I have known William for close to 20 years since I moved into the community and have always known him to be one of the kindest sweetest persons I have had the privilege of knowing. He always had a smile on his face and kind words to say about others. He will surely be missed by all and even though we are sad because he is no longer with us, let us remember he is in a better place looking down on us still smiling. To his wife and family, remember we are your extended family too and are here for you in any way we can be.
