This is Elaine. I am very sorry to hear about Ben's demise. This came as a shock to me, as I thought he was feeling better. We always know deep in our hearts that we truly love each other and are meant for each other, despite everything else that transpired after that. He was still reaching out to me in his final days. Ben, I do always love you now and forever just like you do for me too. We will fulfil your 2 greatest dreams together in our next lives together. To Mr and Mrs Solick, Mr Goldberg, Ian and Suzanne, my deepest condolences to you and your family.
