The world is a sadder place, the sun is dimmer, the stars are not as bright, the night is so much darker, my heart is so much heavier, on the untimely loss of my dearest and longest friend who made me smile even at the saddest of times. I extend my sympathy to her husband and family. A great sun has gone out. May her memory bring warmth to your hearts and may she live in our souls forever. I will see you again someday on the other side of the rainbow. I love you dear one forever and a day. Sharon
