Mona B Holtman posted:

We remember Maxwell standing outside in the Memory Garden directing the crew helping put it in shape. I thought it was a wonderful things to do as it needed work. I know people who lost family's in the holocaust who visit the Memorial Garden as their place to pay respects. Now it has an added meaning for me as I will think of Maxwell. As part of your Temple Family our thoughts are with you all at this most difficult time. Sidney and Mona B Holtman
