To my uncle Richie and cousins Abbe, Stephen & Karen: you were so blessed to have her in your lives. She was such a gentle soul, as well as a devoted wife, mother and extremely capable homemaker. I only wish she had been here longer with you all in good health. I will miss her but am sure she has gone on to join our other loved ones who preceded her... You are all in my thoughts and prayers. Hope to be with you tomorrow... Love from Helayne Abrams
