I never met Doris, I feel I know so much about her from the memorial service and spending time with her children & grandchildren & daughter in law. I see Doris in Terry and how giving and dedicated she is with causes she cares about. I fell in like with the rest of the family who all have Doris in them. I am sorry for your loss, but as was mentioned she is probably planning a big party in Heaven. Renee

Dear Janet, Bobby, Terry, Bruce and families –Our thoughts and prayers are with you. Although I have a few fond memories of times I met your mother, I have always felt I have known her better from all Janet's stories. I got many helpful hints and great advice over the years as well as good laughs. I hope all the love and great memories help you through these difficult daysWith love –Pam, Ken, Michelle and Kenzie Gordon
