Dear Carol, Herman and I are so sorry to hear about Michael's passing. We often think about you and Michael and especially when Michael arranged for Herman to see Dr. Kosinski. We consider both of you to be very good friends. We remember fondly the dinners and conversations we had together. We remember well Michael's conservative political philosophy and he made believers of us. We spent the past winter in Florida and hoped that we would get to see you. I am sorry we haven't been in touch but we have often thought about you and Michael and our friendship in Easton. Please send our condolences to Daniel and Jodi. We hope this message reaches you. My email address is disenstein@optonline.net. I hope that you are managing well. Fondly, Debby Isenstein

Michael was my first cousin and although our family has been estranged for many years I want to let Carol and his children know that I have thought of them often over the years. I remember when Michael and Carol were first married and they brought their puppy Snoopy to my Uncle Dave and Aunt Ida's apartment on Ocean Parkway and Snoopy was doing a marathon around their very large apartment during a holiday family dinner. I always wanted a dog after that! I am very sorry for Michael's passing. He was much too young. My deepest condolences to his family and close friends. Your cousin Dena Lee Wetmore
