I heard from Tony Coloneri this morning and it was so sad that he passed. I miss the good times we had in the Thunderbird Club. Since I moved to North Carolina we lost touch with each other. May you rest in peace I will miss you. Frank Del Rossi

I was sad when Enid called me today with the news. When Barry lived in Nassau County, NY we were close. We shared an interest in old Thunderbirds and belonged to the same club. There were a lot of good times. The one that stands out was when we went out for dinner together with our wives and I drove. While at the restaurant I commented that I never had a car stolen. To our surprise, when we finished our meal and went to the car, it was gone. We could not stop laughing. Barry I will miss you. Tony Coloneri
