I will miss my dear friend and tennis buddy. A truly exceptional guy with a great mind and sense of humour. Lee and I had great times on the court and long conversations regarding where this country was going. We agreed on almost everything and talked about almost everything. Lee was truly a mensch. My thoughts will always be with him and hope you Linda will be able to be strong for Lee and carry on. My thoughts and prayers are with you in this most difficult of times. We will miss Lee very much. Although we could not see him often following our return to Buffalo NY, we always knew he would have big smile and a warm welcome for us whenever we could get together. Lee was a man of many talents from sports to acting. Some of his comic impressions were just so spot on that you couldn't help but laugh. His inquisitive mind led him to study history and attempt to apply its lessons to modern life. We always enjoyed our discussions, even though we didn't always come to the same conclusion. His ideas were always well researched. We will cherish the good times we shared with Lee and Linda. He will not be forgotten. Love, Mary Ann & Mike Lannan

Lee and Linda have been part of our tennis family at Boynton Beach Tennis Center for the last few years. Lee was the most compassionate tennis player I have ever met. If he wasn't playing with jacks group of guys he showed up sporadically everyday by himself working on his serves. Lee was always full of energy, happy, loved playing tennis, when coming into pro shop he always had a positive attitude and couldn't wait to get his court number to get the day started. We will miss you Lee Yaloweic, if I know you you are in charge of the heaven tennis courts.....Laurie
