My thoughts and prayers go out to Jason's Family. I am sadden to hear of his loss. My family and I lived just two houses down from the Beame family and there wasn't a day or night where I wouldn't see Jason outside with the girls or in the backyard (or front) working. He was a wonderful person, caring father and generous neighbor. Jason will live on in our hearts and minds. He will be forever missed by all who surrounded him. Lots of love and thoughts from me to the Beame Family.
Sincerely, Brittany Burkhardt

Mr. Beame was a kind and caring teacher. He always put others before himself and was a man who cared about everyone. He had a heart of gold and always made sure his students were succeeding . He was one of those teachers who actually cared. He always talked about how much he loved his family, something I truly admired about him. I never thought he would go at such a young age but so thankful he touched my life. I will forever remember you Mr.Beame.-Samantha Kublin
