Connie gave birth to a wonderful son who was my life partner. He was the most beautiful brightest light in this world. I am forever thankful to her for that. Howie loved his mother very much, she was special. Her nickname was "Queenie" and his favorite photo of her was of her standing on the roof of her apartment building when she was young. She had an autograph book signed by so many singers that she loved. She also had many collections and I think passed that trait on to her son. I took a picture of her the day i met her son and i often look at it and think of her. Thank you Queenie.
