Zelda was one of my closest and dearest friends I loved her, she was like my sister. We spent many years around 60 being friends. She was a wonderful compassionate inspiring friend. A no nonsense girl, everyone she came in contact with just loved her. She made her mark on everyone's life, she will surely be missed. I spent the last days of her life with her. Zelda I loved and will always love and miss you. My heart is empty and sad. Rest in peace my dear friend, will see you in heaven. Diana Marshall
