Meyer Zaremba was my 6th grade teacher. His impact on me has contributed to who I am today at 69. He was a blessing in my life. The world is a little darker without his light. I am grateful to have had the chance to know him.

I do not know any of you, and hardly knew your Meyer. However in meeting him to install his freedom alert and chatting on the phone, He has left such an impact on me. He shared such beautiful stories about Helen, and his family. I am so sorry for the loss of a wonderful brilliant man. Your family will be in our thoughts and prayers, Warm Regards, Lori
