Herbert J Michaelis

Tom Heebner posted:

I did not know Herbert, but am privileged to know his son Larry. I know from the qualities of Herbert's son, that Herbert was undoubtedly a loving father, whose son is a legacy of which he would be proud to have nurtured. My heart is heavy knowing the pain of such a loss as many of us have endured. Gather your family, recall the fine memories and love one another with renewed vigor, as our time on this earth is so brief.

We absolutely loved Herb. He was always so positive and warm hearted. His smile brightened our day. We miss him and we'll always treasure our short time together.
