I just read of Nancy's death in the Florida Bar News. Having just seen Nancy a few months ago I had no idea she was ill. Nancy was my RA at Barnard and my first real friend. Although we barely kept in touch I will always be grateful for her friendship and kindness and remember with happiness the fun times we had. Rest in peace Nancy. Laurie

Unfortunately, I recently found out about Nancy passing and was so devastated to hear the news. She was a good friend, extremely insightful and a lovely woman. I will never forget relocating to Boca in 1988 and Nancy offering her friendship to me. Although we lost touch for the past few years, I will always count her as my friend. I am so sorry I was not there for her as she was going through her battle. Knowing Nancy, she fought a good fight to survive for her family. God be with her and her beloved family.

The time soon comes for parting, And our time is at an end,
The rest of your life is starting, And we have no time at all to spend.
You knew one day you'd have to go, But thought you'd have more time.
We can't reverse time's one-way flow, But at least you'll have this rhyme.
You had your shining moments, Upon this life's darkened stage,
And in my book of wonderments, You'll never be just another page.
I will miss you my dear friend.
