To Howard, Richard and the family, Our heartfelt condolences on your Mum's passing at such a magnificent age, from the Hartstein family in London. In the UK, it is customary to wish mourners "a long life" at this sad time and we convey our sympathies to you all. As the family archivist, I applaud your Hartstein branch for being so instrumental in documenting the family, who left Kiev for America in the 1890s, although some settled (and stayed) in London. Wishing you good memories.. Daniel Gleek & family in London (Relatives of your second cousin, Jack Hartstein of Willesden, London)
