Debbie, I just heard about Max from Lauren as I did not see it in the Florida Bar News. I was frozen for minutes after hearing the news. I have such fond memories of Max as a such a kind upbeat person and mentor. My heartfelt condolences to you and your sons and all of your family. I actually practice in Boca since 2013 and drive by the office building we moved to every day. May his memory be a blessing.

Debbie and family, I was saddened to only just learn of Max's passing in this month's Florida Bar News. I was privileged to serve with Max at the AG's office back in '82 to '84. We lost touch when I left for the Broward SAO's office but I've always remembered "Supermax", as our friend and colleague Russ Bohn named him, as a great man, friend and attorney. I am so sorry for your loss. Jim McLane.

I met Max when I first moved to West Palm Beach. It was a small world. Max was an assistant attorney general and I was an assistant public defender. We both did appeals but on opposite sides. Besides that relationship, Debbie & I grew up in Valley Stream & she was very close to my sister in law Susan. Debbie, Max & I became very good friends and we have remained friends for decades. Max was one of the smartest Nd most thoughtful lawyers that I've known. He was kind & compassionate. He brought dignity to the profession.Over the last few years, I watched Debbie take amazing care of Max and I saw how much he loved her to the very end. I will miss you my friend.
