From Meryl Banks Levitz My family grew up with Cissy. My parents were her and Morty's best friends. She was like a second mom to me. She was beautiful, kind, funny and very giving. She adored her Morty and her kids. A light has gone out in my life. I will miss her terribly. May her memory be a blessing to her family. I love you Cissy

Although there was a 30 year age difference between us, my friend Cis and I shared a love of the daytime soaps. We always talked about the story lines and when she took the cover off of her Soap Opera Digest magazine and she finished reading it she would sneak it to me in the card room. We shared the same manicurist and a wonderful friendship. I will miss her terribly. My love and condolences to the entire family. Pam Krolik
