I don't know if you remember us but we remember you! When we first were considering moving in to Four Seasons we ran in to Leo in the parking lot of the clubhouse. He told us how wonderful this development was and how much he enjoyed living here. He was an excellent salesman as we built a house here in 2011 and, while we are still snowbirds, we do enjoy our 4 months down here in Four Seasons. We also went out to dinner with you one evening several years ago before you moved away and it was a very pleasant evening. And since we live on the corner of Quay and Isles Cay, we would frequently see Leo driving to and from his errands. He would always stop and we would engage in some neighborly conversation. So, we remember Leo with fondness and are sorry for your loss. Harvey (and Donna) Leviton
