My Aunt Bea always enlivened my holidays especially Thanksgiving and Christmas with her great sense of humor and love of desserts. She also brought with her an air of her old country England. She embodied the immigrant story for me. Over there she was Trixie. Here she was my aunt with her story of how she met soldier during the war and was plunged into a different world. She will be sorely missed but always fondly remembered.

Fran and Michael, There are no words to express how saddened I am to know that I will never see Bea again. I will always treasure my memories of her and the time I was lucky enough to spend with her. She has and will always remain in my heart as "sweet Bea", a warm, kind, lovely woman with an adorable laugh. Bea was a loving wife to her late husband, David and a devoted mother to Fran and Michael. I would like to share a story about Bea. Years ago there was a snow storm in NY, the mayor at the time decided not to prepare for the storm and NY was hit with the full force of mother nature. Trains stopped running, roads were closed, etc.. I was working in Manhattan and lived in Queens and could not get home. The only place I could get to was my friend, Fran's house, but in order to get there I had to walk miles from a train station to her house wearing a skirt and three inch heels, needless to say by the time I got to Fran's house I was frozen. Bea quickly took care of me by giving me something warm to drink, sitting me by her oven [which she turned on to give me warmth] as she rubbed my legs and feet back to life. I am convinced that she saved me from losing toes or possibly more than that. I mentioned this to Bea not that long ago and she didn't remember what she did for me that day. It came so natural to her to just help when needed. Fran & Michael you were blessed to have Bea as your mother and she was just as blessed to have both of you. My sincerest and deepest sympathy to Fran, Michael & Raquel and their family. Donna Lee Tremper

I have known Bea for over 50 years. Her daughter Fran and I are best friends and I spent a lot of time with her and her mom. She was also like a mother to me. She used to say "you are the good daughter and Fran is the bad daughter" Bea was a very very special person who I loved. I will miss her very very much. Rest in peace my very special person.

My only sister has left us but not her laughter. She always kept us giggling and our times together were always full of fun. Going to miss you but will carry you in my heart forever ❤️

My Dear Frannie and Michael and Family. I am so so sorry for the loss of your Mom. I know Beate ever since I was three years old, so I can absolutely say she was the sweetest, loveliest, most generous of us all. Always a big smile and always a kind word for everyone she met!! Her heart was always big enough to love and care about us all. I remember her sitting in the back yard with my mother laughing and talking, both were pregnant at the same time with Michael and Michael. My mom used to say whenever she came into the house, what a lovely lady she was.. Everyone always had some kind words for her. That was over 60 years ago, and she never changed. I can't say enough about her and the sweet memories she gave me. I will cherish those memories as long as I live. I love you, Frannie and Michael. With all my heart, and love Carol
