Our family is very saddened to hear the news of Diane's passing. She was always the cheerful mom next door who adored her children. When I was only 12 she employed me to keep an eye on the boys when she went for a run. She gave me my first taste of financial independence as a babysitter! She was always wonderful, positive and kind. Our dearest condolences during this difficult time. We will miss her dearly.

Diane and I had been friends for 41 years. She was one of the first friends I met when I moved to Staten Island in 1978. I am so upset that she is no longer with us. I spoke to her last week and we had fun discussing jewelry, bags and how much toilet paper we both hoarded. I extend my condolences to Mark, Michael, Robert and the rest of her beautiful family. Love, Lisa Atlas Fox
