Gail Jakibowski posted:

Honey was not only my aunt but a surrogate mom, a friend, a confidant, a fellow traveler, and a grandma and great grandma to my grandchildren. She was a singer, an artist, a companion, and a traveler. I always sought her advice and guidance and she never let me down. She loved her children, their spouses, and her 5 wonderful grandchildren as well as her sister and her extended family. She enriched my life from the time I was in her wedding to this day. We laughed and cried together. I miss her every day.
