Michelle Williams lit a candle in honor of Rhoda.

My name is Michelle Williams, Rhoda and her husband Marshall volunteered for Hospice by the sea/Trustbridge. I was there Volunteer Coordinator for a number of years, they would come in every Tuesday & Thursday And the 1st thing Marshall would do is tell me a joke and do a magic trick and Rhoda would always make sure all the work was set up and ready to go, this happened for a number of years!! My heart is truly broken and I will miss my 2 angels..
