Jacob "Jack" Bertman

JUL 29, 2020

Jack Bertman of Boca Raton FL, died on July 29th at the age of 61 due to complications of COVID-19. Jack spent his final days being cared for by his loving and devoted wife, and surrounded by his close family. Despite battling the disease for weeks, his passing came as a sudden shock to all who knew him.

Jack was born in 1958 in Camden, New Jersey to Arleen and John Bertman. He received his bachelor's degree from Fairleigh Dickinson University in Madison, New Jersey. Jack married Christine "Chrissy" Noto, and the couple relocated from New Jersey to Kansas and then to Florida as Jack pursued his career in sales.

Jack had a passion for life and seemingly boundless energy with which he pursued his many hobbies over the years, including motorcycling, mountain biking, skiing, fishing, boating, photography, scuba and more. Jack was known for his sense of humor, spirit of adventure, playfulness, generosity, and a warm, outgoing personality that won him friends wherever life took him.

Jack is preceded in passing by his mother Arleen. He is survived by his loving wife and fur babies Lexy and Ringo along with his three siblings, Ellen (Dave), Michael and Robert (Erin), and his father, John. Jack was loved by his 10 nieces and nephews, and 2 great-nieces. Jack's family and friends will miss him more than words can convey.

A memorial service will be planned in the near future. In lieu of flowers, contributions in memory of Jack can be made to the Alzheimer's Association.

Friends and family are encouraged to help celebrate Jack's life by sharing memories and photographs on his Facebook memorial page.

Sorry to see that the HHS Class of '76, has lost another awesome person. I attended [Hammonton] high school with JACK, and he was - truly - *ONE OF A KIND*: always smiling, joking, personable, and just an overall pleasure to be around. We often got in 'innocent' trouble during our high school English class, together (we sat beside one another) - because we would spend it talking and laughing. One particular memory I have of that time...was us sharing many laughs regarding a certain necklace he wore - it had a big bullet shaped cylinder charm on in (that he told me 'opened')...and everyday we'd come into class he would make me guess what was inside the charm. He'd also 'hint', himself, as to it's contents - and he'd come up with the most ridiculous things - too, just to make me laugh (ex: the test answers to a quiz we were having; M & Ms; a map to a hidden treasure; etc...), too, came up with some crazy guesses, myself...and we'd just try to outdo one another to make the other chuckle). Even back then he had such a exuberance for life and upbeat personality...and was a joy to be around. I extend my SINCERE CONDOLENCES to his FAMILY/FRIENDS/and ALL WHO KNEW HIM. A special 'light' in this world - has been extinguished...but may the 'glow' in special memories ~ he left behind for everyone...continue on. MAY GOD BLESS AND COMFORT YOU ALL...AT THIS TIME! Deb (Chappine) Will...[HHS Class Clown of '76]
