We are so sorry to hear of the loss of your mother. Most of our memories of Fran come from the heartfelt recollections you have shared with us through the years and our many holiday meals together. You would tell us stories of growing up in a kosher home, life with a mother who grew up in the depression era, and all the fun times your family shared with your cousins. I can even picture your mom, this petite woman, sitting at the table laughing at the stories along with us! We will remember your mom in our prayers and are sending hugs to you and your family. Love, Holly and Rich

Dear Sharyn, Janet and Joe, We were so saddened to hear of the death of your mother and mother-in-law Frances. We never met her, but we loved hearing Sharyn's stories about her. From the photo here, we can tell she was a beautiful woman. I hope that your loving memories of her serve as comfort at this time. Our thoughts are with you, and Robin in particular empathizes knowing how hard it is to lose a mother at any age. Sorry we can't be with you at the funeral. Much love, Robin Aronow and Dennis Adler

My dear sweet adorable Aunt Fran. That's how I will remember her. Especially in the kitchen at Colgate Drive, in Long Island, doing her thing for company, and yet always present to find out what was going on with little ole me, with interest and a smile and a chuckle! And she always let us sleep over for that last minute, oh please, please, please can we stay over!!! She knew how to make you feel special and was always kind to me. Even in her later years on the telephone, perky and interested in knowing how me and my family were. Her light always shined through to me. When I think of Aunt Fran, I will remember her with a smile on my face and gratitude in my heart that she was in my life. Rest in peace, dear Aunt Fran. Love you.
