SYLVIA RAE LYNN MERVIS

AUG 19, 2020

Our beloved Sylvia Raelynn Mervis passed away unexpectedly at Bethesda Hospital in Boynton Beach, Florida on August 19, 2020. Sylvia was born February 10, 1987 in Logan, Utah to Barry and Cindy Cartwright Mervis. Sylvia grew up in northern Utah and the Baltimore, Maryland area. While in Utah she formed life-long friendships through her participation in Job's Daughters. Sylvia graduated from the University of Maryland in 2009 with a Bachelors degree and was on the Dean's Honor List. She continued her education in sunny South Florida, receiving a Bachelor's in Nursing degree from the University of Miami in 2011. Sylvia was a dedicated nurse with the VA Hospital in West Palm Beach, Florida. She loved being a nurse. She always committed herself to take care of others before taking care of herself.

Sylvia met her husband, Ryan, through their shared career in nursing. They have loved raising their son, 5 year old Jack, together and were over the moon with excitement about welcoming daughter Ava into the family 4 weeks ago. Words can't describe how much she loved her family and the time she had with them.

From the mountains in Utah to the South Florida coastline, Sylvia loved Zumba, dancing, holiday events with the family, social dinners and brunches, going to the pool, going on vacations, and just spending quality time with her family at home. She was a hardworking, loyal, loving, caring, strong and feisty woman who loved her family and friends very much! She loved to laugh and always carried the biggest and brightest smile.

Sylvia was a wonderful wife, mother, sister, daughter, niece, cousin, and friend who touched the lives of everyone around her. Sylvia leaves behind many people in her life including husband Ryan, son Jack and newborn daughter Ava (Boynton Beach, FL), her brothers Abe (West Haven, UT) and Joe (Lake Worth, FL), Uncle Ron and Aunt Annie, cousins Matthew and Dylan (Salt Lake City, UT), mother-in-law Peggy

Words will never be sufficient to express the grief that comes with the loss of a loved one and for us; a coworker (work family). Shock, sadness, sorrow, are just a few expressions that never fully explain the depth of what we feel. I pray that through this difficult time your family will receive the strength and the courage you need to bear the painful loss. Although we won't be able to erase the pain, we want you to know how much we care. Sylvia had a real passion for the profession she chose and the valued contribution she made while caring for the patients left in her care. It was always a joy listening to the stories she shared about little Jack and although we didn't get a chance to meet Jack's little sister, no doubt their stories will forever be told by those left behind. We cherish the memories we all hold dear. Please accept our deepest condolences and may you all be comforted. 🙏

You and your smile will be missed. I remember how we would make our 12 hr shifts go by fast by constantly clowning each other all day. Oh and by the way you still owe me a game of Uno

Sylvia had a tireless energy and enthusiasm for all that she did. She met Ryan when she was a visiting nurse for my mother. My mother, Ryan's grandma, loved her as we all did. Most of all what I will always remember is that Sylvia was fun to be around. She was a dedicated daughter in law to my sister helping to care for Peggy after knee surgery. She is such a loss to all that knew her. Her memory will be kept in our hearts forever and through her beautiful children. Love Aunt Jane
